1. Introduction

Milton Keynes Development Partnership (MKDP) was set up by Milton Keynes Council (MKC) in 2013 as a limited liability partnership to facilitate Milton Keynes' continued growth and economic success by promoting the development of its land assets in line with the objectives set out in MKC's Corporate Plan and Economic Development Strategy. Milton Keynes remains one of the fastest growing centres in the UK and is home to major occupiers including Santander, Home Retail Group, Network Rail, VW Financial Services, BP Technip and Mercedes Benz.

MKDP invites indicative proposals from residential developers to bring forward the development of this c.0.99 acre site off Hampstead Gate, Bradwell Common – near to Central Milton Keynes.

This Marketing Brief sets out the summary of the procurement process and it should be read in conjunction with the Development Brief produced by MKC. The site is allocated in the local plan as a reserve site suitable for housing.

An informal tender process will be undertaken to find an appropriate developer for the site, with offers judged on the basis of the indicative financial offer and experience of the tenderer on similar projects as well as considering design proposals for the site.

2. The Site

The site should be accessed from the East, off Wimbledon Place. The nearest bus stops are on Grafton and Saxon Street(s) some 450m away each. The site is identified in the Milton Keynes Core Strategy as a reserve site suitable for residential development. This is the most appropriate land use and is consistent with the context. The development brief (produced following stakeholder engagement) also supports this use.

Surveillance, privacy distances, parking, and other design characteristics should be in line with MKC's planning/design guidance. Building heights should be 2-3 storeys – please refer to the parameters plan. A redway cycling route passes immediately to the south of the site.

To help guide purchasers, an information pack is available in the 'current tenders' section of the MKDP website. Offers should take account of the findings of these reports. The information pack includes:

- Archaeological and Ecological reports
- Topographical survey and constraints plan
- MKC Development Brief and Redline OS/Aerial plans

3. Proposal

MKDP is seeking single stage informal tenders for a **Conditional offer for the freehold of the land, with 50% of any overage above an assumed sales figure**. This offer should consist of a capital payment on receipt of detailed planning and a datum for the trigger of overage.

All bids incorporating C3 Residential Use must provide for a minimum of 36% of the total dwellings to be provided as affordable housing with unit numbers rounded up. For the avoidance of doubt, this requirement will be conditioned and will not be capable of reduction through either negotiation or viability assessment, even where the total number of dwellings falls below the current policy threshold of 15 units. The bid should assume:

- 25% of units for rent at a range of rental levels up to 80% of market rents, under the Affordable Rent model, including approximately 5% at a level broadly equivalent to Social Rent (at the time an application is considered)
- 11% Shared Ownership / Newbuild Homebuy

All bids should clearly indicate the capital payment proposed for the Site, and set out the aggregate sale proceeds beyond which the 50% overage will apply plus contain clarification of the proposed deposit, details of any conditions precedent and anticipated timescales for clearing them.

The purchaser will be under an obligation to submit their planning application within 3 months of exchange of contracts and be granted a building lease with obligations to deliver the approved scheme. The freehold will be transferred on practical completion of the scheme.

MKDP reserves the right to extend the scope of any agreement/disposal required to facilitate the delivery of the accepted bid. MKDP reserves the right not to accept any bid. All costs incurred in this tendering process are at the tenderer's risk.

4. Tenure and Payment

MKDP owns the freehold (title BM285479) of the subject site. The purchase price will be payable on grant of the building lease.

5. Timing – Tender Submission

The subject site is offered by an informal tender process; the closing date for expressions of interest, indicative layouts and offers is **2.00 pm on 20th July 2018**. Bids should be clearly marked:

**Confidential: Tenders for Hampstead Gate
Milton Keynes Development Partnership
Saxon Court
502 Avebury Boulevard
Milton Keynes
MK9 3HS**

6. Assessment Information

In order for MKDP to fully assess tender submissions, the following items are required (bids not containing this information will score lower due to lack of information submitted):

- Indicative layout(s) and design statement(s) illustrating design styles and proposed elevation treatments. x1 Hardcopy (A3 plans) with USB stick 'soft copy' to the postal address above. An email to the Main Contact is allowed, only as back-up; note 10MB limit.
- A full statement in support of the tenderer's experience delivering similar projects including examples of previous successful schemes and working with local authority type vendors.
- Financial offer, proof of funding, payment terms and s106 assumptions, affordable housing unit numbers and types, together with any conditions.

Bids shall be assessed against the following criteria:

- A. Experience and track record of proposed developer/purchaser (20%)
- B. Quality of scheme proposal and its deliverability accounting for planning (30%)
- C. Financial return to MKDP including proof of funding (50%)

7. Additional Site Information

Copies of planning and statutory documents including the core strategy are available from MKC's website. The development brief and supporting information/reports/redline plans to assist bidders are available on the MKDP website in the 'Current Tenders' section. The nearest postcode to the site is MK13 0RD.

8. VAT

VAT will be applicable to the disposal of this site.
